Hello friends!

Welcome to our 2020 fall collection. We hope you are healthy and well during these difficult times. No one can foresee the future, but we can collectively agree that we must get through this. There are many people today that are angry and without resolution. Now, more than ever it is important to remain calm and to contemplate, think slowly. It may take two to tango, but it takes one to start. A little bit of love and understanding goes a long way.

Talking about love, we love **KOBE**, our office dog. He sleeps most of the day in the office but as soon as he is outside, he jumps with joy like a gazelle! **David Dear**, designer of the RainbowMaker, designed a Fake News squeaky toy for dogs to chew on. Our in-house design team, **KDT**, designed a fun Tick Remover Keychain, and a Poo Bag Dispenser in the shape of Kobe's face, and lastly, a fun Egg-shaped Ball that holds a treat and bounces everywhere!

No one needs love more than our children, and this is exactly what **Huckleberry**, by **Chris Koens** and **Ramon Middelkoop** do best. They came up with 4 new products to get kids outside including a small Popcorn Maker for over the campfire, and Binoculars with bird watching instructions.

New to our circle of love is **Studio Job**. They are an iconic design group from the Netherlands and they designed intriguing graphics for our Puzzles, Face Masks and Bandanas. We are very excited about our new collaboration.

A friend is someone who knows all about you and still loves you. We consider design group **RND** our friends. They created an experimental puzzle called Shuffleface which includes 4 puzzles that can be interchanged and played as a game.

Every season **Hector Serrano** surprises us with something new and out of nothing. This season he designed a Dino and Hedgehog Dish Washing Brush, and with this he opened a new cleaning category for Kikkerland, with a focus on sustainable materials.

From London with love is the design group called **With Creative**. They invented a series of 3 Terracotta Herb Planters that fit in your empty bottles and is perfect for urban gardening.

At Kikkerland, it is part of our mission and responsibility to be charitable, and to fill in the holes that we believe need to be filled. That being said, we are proud of our latest collaboration with **Fresh Artists**. They are an organization that engages kids in making art, and their mission is to preserve and encourage art programs in public schools. Kikkerland licensed a collage of art pieces from these young artists and made them into a series of beautiful puzzles.

Finally, we have added a new Health & Wellness category to our collection. Your health is most important but remember to nurture your mind too. I hope you enjoy this new collection and don't forget to reach out to your loved ones. Be well and I look forward to seeing you all in the near future.

Jan van der Lande

Hallo Freunde!

Willkommen zu unserer Herbstkollektion 2020. Wir hoffen, dass Sie in diesen schwierigen Zeiten gesund und wohlauf sind. Wir können die Zukunft zwar nicht vorhersehen, aber gemeinsam alles tun, um sie durchzustehen. Viele Menschen sind derzeit verärgert und haben keine Lösung. Jetzt ist es wichtiger denn je, ruhig zu bleiben und in sich zu gehen. Zum Tango gehören immer zwei, aber einer muss beginnen. Mit ein wenig Liebe und Verständnis kann man viel bewirken.

Apropos Liebe: wir lieben **KOBE**, unseren Bürohund. Die meiste Zeit des Tages schläft er im Büro. Aber sobald er draußen ist, springt er vor Freude wie eine Gazelle! **David Dear**, Designer des RainbowMaker, hat ein Fake News-Quietschspielzeug entworfen, auf dem Hunde herumkauen können. Unser hauseigenes Designteam **KDT** entwarf einen lustigen Zeckenentferner-Schlüsselanhänger, einen Kotbeutel-Spender in Form von Kobes Gesicht und schließlich einen lustigen eiförmigen Ball, in dem man eine Belohnung verstecken kann und der überall hinhüpft!

Niemand braucht Liebe mehr als unsere Kinder, und dafür ist **Huckleberry** von **Chris Koens** und **Ramon Middelkoop** am besten geeignet. Sie haben 4 neue Produkte entwickelt, um Kinder nach draußen zu bringen – darunter einen kleinen Popcorn-Maker für Lagerfeuer und ein Fernglas mit Anleitung zur Vogelbeobachtung.

Neu in unserem "Kreis der Liebe" ist **Studio Job** - eine ikonische Designgruppe aus den Niederlanden, die faszinierende Grafiken für unsere Puzzles, Gesichtsmasken und Bandanas entworfen hat. Wir freuen uns sehr über unsere neue Zusammenarbeit.

Ein Freund ist jemand, der alles über dich weiß und dich trotzdem liebt. Wir betrachten die **RND**-Designer als unsere Freunde. Sie schufen ein experimentelles Puzzle namens Shuffleface, das 4 Puzzle enthält, die untereinander ausgetauscht und als Spiel gespielt werden können.

In jeder Saison überrascht uns **Hector Serrano** mit etwas Neuem, das quasi aus dem Nichts entsteht. In dieser Saison entwarf er eine Geschirrspülbürste im Dino- und Igel-Design. Damit eröffnete er für Kikkerland eine neue Kategorie "Reinigung" mit Schwerpunkt auf nachhaltigen Materialien.

Liebe aus London bietet die Designgruppe mit dem Namen **With Creative**. Sie erfand eine Serie aus 3 Terrakotta-Kräuterpflanzgefäßen, die in leere Flaschen passen und sich perfekt für die städtische Gartenarbeit eignen.

Wir von Kikkerland haben es zu unserer Aufgabe und Verantwortung gemacht, wohlütig zu sein und die Lücken zu füllen, die unserer Meinung nach gefüllt werden müssen. Deshalb sind wir stolz auf unsere jüngste Zusammenarbeit mit **Fresh Artists**. Es handelt sich um eine Organisation, die Kinder für die Kunstproduktion gewinnen möchte. Ihre Aufgabe besteht darin, Kunstprogramme in öffentlichen Schulen zu erhalten und zu fördern. Kikkerland lizenzierte eine Collage von Kunstwerken dieser jungen Künstler und machte daraus eine Reihe wunderschöner Puzzles.

Schließlich haben wir unserer Kollektion die neue Kategorie "Gesundheit & Wellness" hinzugefügt. Ihre Gesundheit ist das Wichtigste, aber denken Sie auch an die Pflege Ihres Geistes. Ich hoffe, dass Ihnen diese neue Kollektion gefällt. Bitte vergessen Sie nicht den Kontakt zu Ihren Lieben. Bleiben Sie gesund. Ich freue mich darauf, Sie alle in Kürze wiederzusehen.

Jan van der Lande

Bonjour les amis !

Bienvenue dans notre collection Automne 2020. Nous espérons que vous êtes en bonne santé en ces temps difficiles. Personne ne peut prévoir l'avenir, mais nous pouvons collectivement convenir que nous devons aller de l'avant. Il y a beaucoup de gens en colère et sans solution aujourd'hui. Maintenant, plus que jamais, il est important de rester calme, de commencer à contempler et de réfléchir en prenant son temps. Pour danser, il faut peut-être être deux, mais une seule personne suffit pour commencer. Avec un peu d'amour et de compréhension, on peut aller très loin.

En parlant d'amour, nous adorons **KOBE**, notre chien de bureau. Il dort presque toute la journée au bureau, mais dès qu'il est dehors, il saute de joie comme une gazelle ! **David Dear**, designer du RainbowMaker, a conçu un jouet musical à mâcher, nommé « Fake News », pour les chiens. Notre équipe de design en interne, **KDT**, a conçu un porte-clés amusant pour éliminer les tiques et un distributeur de sacs dans la forme du visage de Kobe, et enfin une boule amusante en forme d'œuf qui contient une friandise et rebondit partout !

Personne n'a plus besoin d'amour que nos enfants, et c'est exactement ce que **Huckleberry**, de **Chris Koens** et **Ramon Middelkoop** donne. Ils proposent 4 nouveaux produits pour faire sortir les enfants, y compris une petite machine à pop-corn pour feu de camp et des jumelles avec des instructions pour observer les oiseaux.

Nouveau dans notre cercle d'amour : **Studio Job**. C'est un groupe de design emblématique des Pays-Bas et ils ont conçu des graphiques intrigants pour nos puzzles, masques et bandanas. Nous sommes ravis de notre nouvelle collaboration.

Un ami est quelqu'un qui vous connaît et qui vous aime quoi qu'il arrive. Nous considérons le groupe de design **RND** comme nos amis. Ils ont créé un puzzle expérimental appelé Shuffleface qui comprend 4 puzzles pouvant être échangés et joués comme un jeu.

Chaque saison, **Hector Serrano** nous surprend avec quelque chose de nouveau à partir de rien. Cette saison, il a conçu une brosse à vaisselle Dino et Hedgehog, et avec cela, il a lancé une nouvelle catégorie d'articles de nettoyage pour Kikkerland, en mettant l'accent sur les matériaux durables.

From London with love est le groupe de design appelé **With Creative**. Ils ont inventé une série de 3 jardinières en terre cuite qui tiennent dans vos bouteilles vides et sont parfaites pour le jardinage urbain.

Chez Kikkerland, cela fait partie de notre mission et de notre responsabilité d'être charitable et de combler les trous qui, selon nous, doivent être comblés. Cela étant dit, nous sommes fiers de notre toute dernière collaboration avec **Fresh Artists**. C'est une organisation qui engage les enfants à faire de l'art, et leur mission est de préserver et d'encourager les programmes d'art dans les écoles publiques. Kikkerland a mis sous licence un collage d'œuvres d'art de ces jeunes artistes et en a fait une série de beaux puzzles.

Enfin, nous avons ajouté une nouvelle catégorie Santé & Bien-être à notre collection. Votre santé est l'aspect le plus important, mais n'oubliez pas de nourrir votre esprit aussi. J'espère que vous apprécierez cette nouvelle collection et n'oubliez pas de tendre la main à vos proches. Prenez bien soin de vous et j'ai hâte de vous revoir tous dans un avenir proche.

Jan van der Lande

¡Hola, amigos!

Os queremos presentar nuestra colección de otoño de 2020. Esperamos que os encontréis bien a pesar de esta época tan difícil que estamos viviendo. Nadie puede prever el futuro, pero creo que todos estamos de acuerdo en que debemos superar esta crisis. Hay muchas personas que ahora mismo se sienten enfadadas y que no ven una solución, pero ahora es más importante que nunca mantener la calma y reflexionar detenidamente. Ya sabemos que dos no se pelean si uno no quiere, por lo que un poco de amor y comprensión puede marcar la diferencia.

Hablando de amor: nos encanta **KOBE**, el perro de nuestra oficina. Se pasa la mayor parte del día durmiendo cuando está en la oficina, pero cuando sale a la calle salta y corre como una gacela. **David Dear**, el diseñador del creador de arco iris, diseñó un juguete chillón (Fake News) a modo de broma para que mordieran los perros. Nuestro equipo de diseño interno, **KDT**, diseñó un divertido llavero que servía para quitar las garrapatas y un dispensador de bolsas para excrementos.

Nadie necesita tanto amor como nuestros hijos y eso es exactamente lo que **HUCKLEBERRY**, de **Chris Koens** y **Ramon Middelkoop** logra. Idearon 4 productos nuevos para que los niños salieran a la calle incluido un pequeño palomitero para llevarse de excursión y unos prismáticos con instrucciones para avistar aves.

La novedad en nuestro círculo del amor es **Studio Job**. Se trata de un grupo emblemático de diseño de los Países Bajos que ha diseñado gráficos interesantes para nuestros puzzles, máscaras y pañuelos. Estamos muy emocionados por esta nueva colaboración.

Un amigo es alguien que sabe todo de ti y te sigue queriendo. Consideramos que el grupo de diseño **RND** son nuestros amigos. Han creado un puzzle experimental llamado Shuffleface, que incluye 4 puzzles que se pueden intercambiar y que constituyen un juego en sí.

Cada temporada, **Héctor Serrano** nos sorprende con algo nuevo salido de la nada. Esta temporada, ha diseñado un cepillo con forma de dinosaurio y otro con forma de erizo. De esta forma, presentamos una nueva categoría de limpieza en Kikkerland, centrada en los materiales sostenibles.

Desde Londres con amor llega el grupo de diseño llamado With Creative. Han inventado una serie de 3 macetas de terracota que caben en las botellas vacías y quedan de maravilla en los huertos urbanos.

En Kikkerland, forma parte de nuestra misión y es nuestra responsabilidad ser caritativos y rellenar los huecos que creemos que deben rellenarse. Por ello, estamos orgullosos de nuestra última colaboración con **Fresh Artists**. Se trata de una organización que incita a que los niños realicen obras de arte y su misión es preservar y fomentar los programas artísticos en la escuela pública. Kikkerland adquirió los derechos de un collage de las obras de estos jóvenes artistas y lo convirtió en una serie de hermosos puzzles.

Finalmente, hemos añadido una categoría de salud y bienestar a nuestra colección. Vuestra salud es vital, pero tenéis que nutrir también vuestra mente. Esperamos que os guste la nueva colección y no os olvidéis de compartir esta información con vuestros seres queridos. Cuidaos y esperamos veros pronto.

Jan van der Lande

Olá amigos!

Bem-vindos à nossa coleção de outono de 2020. Esperamos que se encontrem saudáveis e bem durante estes tempos difíceis. Ninguém consegue prever o futuro, mas todos concordamos que temos de ultrapassar este período. Actualmente, há muitas pessoas que se sentem revoltadas e sem resolução. Agora, mais do que nunca, é importante permanecer calmo, ponderar e pensar com calma. Podem ser precisos dois para dançar o tango, mas é preciso um para começar. Um pouco de amor e entendimento faz toda a diferença.

E por falar em amor, nós amamos o **KOBE**, o cão do nosso escritório. Ele dorme a maior parte do dia no escritório, mas assim que vai para o exterior, salta de alegria como uma gazela! **David Dear**, designer da RainbowMaker, criou um brinquedo que chia para os cães roerem denominado Fake News. A nossa equipa de design, **KDT**, criou um tira-carraças em forma de porta-chaves e um dispensador de sacos para os dejetos na forma da cara do Kobe e por último, uma divertida bola em forma de ovo que contém uma surpresa e salta para todo o lado!

Ninguém necessita de mais amor do que as nossas crianças e é exatamente isso que os **Huckleberry**, de Chris Koens e **Ramon Middelkoop** fazem melhor. Os criadores desenvolveram 4 novos produtos para trazerem os miúdos para o exterior, incluindo uma pequena pipoqueira para fazer ao lume e binóculos com instruções para observação de pássaros.

Uma novidade no nosso círculo de amor é o **Studio Job**. Trata-se de um grupo de design icónico dos Países Baixos que criou imagens interessantes para os nossos puzzles, máscaras de proteção e bandanas. Estamos muito entusiasmados com a nossa nova colaboração.

Um amigo é alguém que conhece tudo sobre nós e ainda assim nos ama. Consideramos o grupo de design **RND** nosso amigo. Este grupo criou um puzzle experimental denominado Shuffleface que inclui 4 puzzles que podem ser trocados e jogados como um jogo.

Em cada temporada, **Hector Serrano** surpreende-nos com algo novo e do nada. Nesta temporada, criou uma escova de lavar louça em forma de dinossauro e ouriço-cacheiro e, com isto, abriu uma nova categoria de limpeza para a Kikkerland, com foco nos materiais sustentáveis.

De Londres com amor chega-nos o grupo de design **With Creative**. Este grupo criou uma série de 3 vasos para ervas feito de terracota que cabem nas suas garrafas vazias e é a solução perfeita para a jardinagem urbanística.

Na Kikkerland, fizemos parte da nossa missão e responsabilidade sermos solidários e ajudar quem achamos que necessita de ser ajudado. Dito isto, estamos muito orgulhosos da nossa mais recente colaboração com a **Fresh Artists**. Trata-se de uma organização que incentiva crianças a fazer arte e a sua missão é preservar e encorajar programas de arte em escolas públicas. A Kikkerland autorizou uma colagem de peças de arte destes jovens artistas e tornou-as numa série de puzzles magníficos.

Por fim, adicionámos uma nova categoria de Saúde e Bem-estar à nossa coleção. A vossa saúde é mais importante, mas não se esqueçam de alimentar também a vossas mentes. Espero que desfrutem desta nova coleção e não se esqueçam de estar próximos dos que mais amam. Fiquem bem e espero poder vê-los num futuro próximo.

Jan van der Lande

Hallo vrienden!

Welkom bij onze herfstcollectie van 2020. We hopen dat het goed met jullie gaat in deze moeilijke tijden. Niemand kan voorspellen wat de toekomst gaat brengen, maar we kunnen samen afspreken dat we hier doorheen moeten. Er zijn nu veel mensen die boos zijn en er is nog geen oplossing. Het is nu belangrijker dan ooit om kalm te blijven en langzaam te denken. Het moet van twee kanten komen, maar er is maar een nodig om te starten. Een beetje liefde en begrip kan al veel teweegbrengen.

Over liefde gesproken, we zijn gek op onze kantoorchond **KOBE**. Hij slaapt bijna de hele dag op kantoor, maar zodra hij buiten is springt hij als een gazelle van vreugde! **David Dear**, ontwerper van de RainbowMaker, ontwierp een Fake News-knijpspeeltje waar honden op kunnen kauwen. Ons inhouse-ontwerpteam **KDT** ontwierp een leuke tekenverwijderaarsleutelhanger en een poepzakjesdispenser in de vorm van Kobe's gezicht en tot slot een leuke eivormige stuiterbal met ruimte voor een snack!

Onze kinderen hebben de meeste liefde nodig en dat is exact wat **Huckleberry** van **Chris Koens** en **Ramon Middelkoop** hen geven. Ze hebben 4 nieuwe producten bedacht om de kids naar buiten te krijgen, waaronder een kleine popcornmaker voor boven het kampvuur en een verrekijker met instructies voor vogelspotten.

Nieuw bij ons is **Studio Job**. Ze zijn een iconische groep ontwerpers uit Nederland en hebben de intrigerende afbeeldingen voor onze puzzels, mondkapjes en bandana's ontworpen. Wij zijn erg blij met de nieuwe samenwerking.

Een vriend is iemand die alles van je weet en nog steeds van je houdt. We beschouwen ontwerpgroep **RND** als onze vrienden. Ze hebben de experimentele puzzel Shuffleface gemaakt die 4 puzzels bevat die onderling verwisseld en als spel gelegd kunnen worden.

Elk seizoen verrast **Hector Serrano** ons met iets nieuws. Dit seizoen heeft hij een dino- en egelafwasborstel ontworpen en daarmee heeft hij voor een nieuwe reinigingscategorie bij Kikkerland gezorgd die zich richt op duurzame materialen.

From London With Love komt de ontwerpgroep **With Creative**. Ze hebben een serie van 3 terracotta-kruidenpotten bedacht waarin je lege flessen kunnen worden geplaatst. Ideaal voor urban tuinen.

Het is de missie en verantwoordelijkheid van Kikkerland om liefdadig te zijn en om ondersteuning te bieden waar wij denken dat dit nodig is. Dat gezegd hebbende zijn wij trots op de meest recente samenwerking met **Fresh Artists**. Ze zijn een organisatie die kinderen aanspoort om kunst te maken en het is hun missie om kunstprogramma's op basisscholen te behouden en te stimuleren. Kikkerland heeft een collage van kunstobjecten van deze jonge artiesten gelicentieerd en heeft hiervan een serie schitterende puzzels gemaakt.

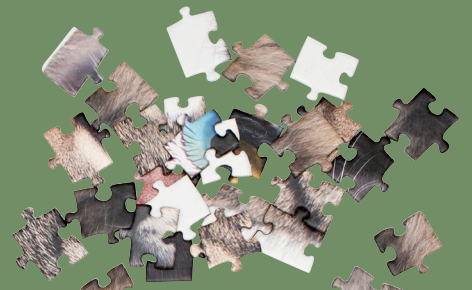

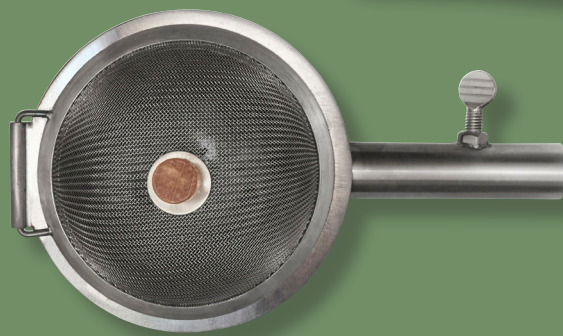

Tot slot hebben we een nieuwe Gezondheid & wellness-categorie aan onze collectie toegevoegd. Je gezondheid is het belangrijkste, maar vergeet je geest niet. Ik hoop dat je van deze nieuwe collectie zult genieten. Vergeet je dierbaren niet! Blijf gezond en ik kijk ernaar uit om jullie in de nabije toekomst weer te zien.

Kobe is our beloved office dog and family pet. He is also the inspiration behind our new line of dog products that celebrate the relationships we have with our trusty companions. Dogs teach us what matters most in life; to live in the moment, don't hold grudges, love unconditionally, play every day, and drink lots of water! For these and many more reasons to love dogs we support the International Street Dog Foundation who is dedicated to saving the lives of street dogs around the world.

A portion of Kobe sales supports:

NEW!

Poo Bag Carrier Dispenser

Easily attaches to dog leash. Uses standard poop bag rolls.
Design: KDT
Material: PU leather
Packaging: card
Sold per 12
 Product: 16 x 7,5 x 0,5 cm

NEW!
