# Minski

NSF

Developed through a painstaking process, we perfected the intricate rim texturing chefs and guests have loved for years.

The design offers a porcelain-like glossy finish and an attractive plating area with a lovely edge that avoids sauce runoff. Heavyweight bodies carry enough heft to feel luxurious but still lighter weight than porcelain.

Minski's beautiful bright white aesthetic is the perfect match for nearly any menu and offers the flexibility to serve indoors or outdoors.

# Fuji

Classic red and black lay the foundation of style for this Japanese-inspired collection. The elegant simplicity of the solid colors is offset by ornate designs on many of the pieces. Like a fully composed dish from a five-star kitchen, Fuji's design offers the finesse and balance that can only be developed with decades of experience.
