Sturdy Foundations for Professional Service

Perhaps the most underappreciated tools for full-service professionals, tray stands and trays are the foundation of tableside food delivery.

Our tray stands offer excellent durability and stable bases and tops that keep food trays in place. Choose from eco-friendly hardwood sourced from plantation-grown retired rubber trees or extra-lightweight chrome metal stands.

The ultimate symbol of hospitality and pampering: Tray service makes everything look more enticing. You will find upmarket options ideal for tableside and room service, and non-skid trays in rounds, rectangles and ovals that prevent slippage.

Guest Dining Trays

Convenience, choice, style and durability: Our guest dining trays offer all of this and more.

Classic wood and faux wood plastic trays offer upmarket service for in-room dining and luxurious room service.

Affordable and convenient school compartment trays are available in a range of vibrant colors and durable materials.

Or choose from trays ideal for café, dining hall and cafeteria settings for a self-serve option.
