INSPIRATION IS EVERYWHERE

PRODUCT CATALOG 2026

WELCOME

Hospitality is built on experiences. The finest hotels, restaurants, and resorts understand that every detail contributes to a lasting impression—and tabletop presentation is no exception.

At IMPULSE!, we believe the vessels that hold food and beverage should be every bit as inspiring as what they contain. Every collection we create begins with a simple question: How can this help hospitality professionals create a more memorable guest experience?

That philosophy guides everything we do. We seek out distinctive materials, remarkable textures, innovative finishes, and timeless forms that encourage creativity while standing up to the demands of commercial hospitality. Whether it's artisan-inspired dinnerware, statement buffet presentation, specialty glassware, or versatile serving pieces, every product is designed to combine beauty with performance.

Much of our inspiration comes from traveling the world and experiencing exceptional hospitality firsthand. From intimate boutique hotels to iconic luxury resorts, from neighborhood cafés to Michelin-starred restaurants, we've been inspired by the people, cultures, flavors, and craftsmanship that make every destination unique. Those experiences continually shape our collections and remind us that great design has the power to elevate even the simplest presentation.

Our hope is that this catalog inspires you to think beyond the expected—to mix materials, layer textures, embrace color, and create presentations that surprise, delight, and leave a lasting impression on your guests.

To our customers, partners, and friends around the world, thank you for your continued trust and support. Your creativity inspires us every day, and we are honored to play a small part in helping you create unforgettable hospitality experiences.

Welcome to the latest IMPULSE! collection.

Warm regards,

Rob Berman, President & Founder

TERMS & CONDITIONS

Minimum opening order is $250 and any reorder is $100. Backorders may be shipped without notice within six months of order ship date. Credit card orders will be processed using the credit card provided by client at time of placing or confirming the order, unless the client specifically requests in writing that the credit card not be kept on file. Clients may place orders via fax, email or by telephone, in which case any charges will be posted to a credit card kept on file (unless specifically requested otherwise by the client in writing).

IMPULSE! reserves the right to increase quantities to meet our case pack requirements. IMPULSE! will do its best to ship goods within seven days of receipt of payment. We accept VISA, MasterCard and American Express. Hospitality clients may apply for credit terms by faxing trade and bank references to ATTN: ACCOUNTING DEPT. +1 954 957 9902. Please allow up to 2 weeks for term submission requests.

We are not responsible for breakage that may occur after your shipment has left our facility. We will, of course, do our best to pack our items with care to prevent breakage, but we cannot control mishandling by carriers. Any damage or loss must be claimed by the recipient with the carrier. No return will be accepted without IMPULSE! authorization. Packaging should be held onto and not discarded if there is breakage for claims purposes. Store credit may be granted for items returned in saleable condition, subject to a restocking fee of 25%. If an invoice remains unpaid for 30 days following the date of invoice, late charges of 2% per month (or the maximum rate allowed by Florida law) will be charged until the account is paid in full. Accounts more than 60 days past due will be sent to collections. Client agrees to pay all collection costs and attorney's fees.

Many IMPULSE! products are handcrafted. As a result our products will have slight variations in color, texture, and finish. These variations are not considered damages or defects and returns will not be accepted. If a client feels that they have received defective goods, or if for any reason a client decides to cancel an order after it has been processed by IMPULSE!, the client will be responsible for all freight costs to send and / or return the goods, plus a 25% restocking fee. If the client decides to return goods that the client feels are defective, the client will be responsible for all return freight costs. IMPULSE! will in good faith inspect any goods received, and if the goods are considered to be defective by IMPULSE!, the client will receive store credit for the goods returned as well as return freight.
