Five hundred years of expertise in glassware

Having more than five centuries’ experience in the production of high-quality glassware is an impressive advantage, yet it is only the foundation of our daily work at Spiegelau. Providing our customers with a broad range of premium glasses requires more than production skills and product quality in the traditional sense. We at Spiegelau combine our experience and spirit for innovation with our market knowledge in an unparalleled manner to meet customers’ varied demands like no other supplier in the market.

“ **Enjoyment** has many forms, but the demand for a really good glass remains the same. That’s why we’ve combined **functionality** with timeless elegance. Those are **qualities that last**, regardless of short-term trends. ”

Stephan Hinz

International glass trends developed in Germany

Thriving on emotions and new impulses brought on by new trends, the hospitality industry offers space to indulge in culinary experimentation – enhanced by using our products. Their functional forms ensure that aromas, colors and tastes of the beverages are emphasized.

In addition, our latest innovations reflect international trends in the world of beverages. This is only one reason why we have surpassed our role as producer by far.

Leveraging the competitive edge we have gained from our proximity to the high-end catering industry, we translate market trends into new collections.

While we are passionate about quality, design, and innovation, we understand that our partners ultimately aim for business success through customer satisfaction. The hospitality industry and the retail sector need a supplier that delivers an unequalled product portfolio while also offering exceptional logistics and delivery services, all at competitive prices.

At Spiegelau we have the expertise, the ideas, and the industrial power to meet all these demands – every day anew.

Spiegelau – Professional Glass Culture.

WHAT MAKES A PERFECT CRYSTAL GLASS?

Glass composition

The degree to which a glass can offer all of these benefits depends to a great extent on the type of glass used and the characteristics of the ingredients.

Standard Glass consist of sand, lime (an alkaline earth oxide), Sodium or Potassium oxides. Spiegelau Crystal glass has the same ingredients plus a certain percentage of metaloxide. These ingredients will be melted at approx. 1500°C and in later steps formed to the desired product.

Spiegelau glasses are all made of lead free Crystal glass. The highest quality of the Crystal ingredients make the Spiegelau products more durable, dishwasher safe, break resistant and also more brilliant than other glasses made with cheaper glass compositions.

THE CLASS OF GLASS

Glass is a fascinating material. Not only does it fulfil a practical purpose but there are so many other ways in which glass enriches our life. It is brilliant, it reflects and refracts light and has a satisfying sound when glasses are clinked.

Still further, specific glass shapes and a high quality glass surface, through the use of pure raw materials, enhance the aromas and taste of beverages.

HOW TO DISTINGUISH THE CLASS OF GLASS

FINE AND LASER CUT RIM:

elegant look
smooth, lip contact
directs the flow of wine
less chipping

BOWL:

Colorless and transparent bowl
allows wines to express their
true visual characteristics

Perfect connection reduces breakage

Seamless or nearby seamless stems

Enforced foot for improved durability

No sharp rims and a flat base improve
esthetics and stability

IS THERE A UNIVERSAL WINE GLASS ?

RVF tested a dozen commercial wine glasses, from major producers, in search of a tasting glass capable of revealing the qualities of any wine with the same precision.

Authentis 02 The most versatile of all

Manufactured by Spiegelau, this crystal glass has great brilliance and is highly shock resistant due to its flexibility.

Slightly heavy to hold, it remains, non-the-less, an ideal choice for professionals and private consumers - especially due to its guaranteed of 10.000 dishwasher cycles without breakage.

This model is the big brother of the slightly smaller Expert Tasting glass, also from Spiegelau.

At tastings, this glass performs well with virtually all wines; though some sparkling wines lose some finesse of the bubbles. As for the whites; it was with a Burgundian Chardonnay where the glass won many votes, as it presented the wine with great cleanness, both on the nose and the palate. Its size is an asset for reds such as the North Rhone, placing fruit in the front not the alcohol.

" The most versatile of all,
...in our eyes the perfect glass"

CARE AND USE

IMPORTANT HINTS FOR GLASS USE

Spiegelau stemware is being used in many famous restaurants and hotels and occasionally international wine tastings. In order to guarantee maximum pleasure when tasting wine, it is important to consider the following professional hints, which we hope you will find of interest.

WHAT DO WE MEAN BY „FUNCTIONAL“ GLASSES?

Spiegelau wine glasses are specially designed in collaboration with some of the world’s most respected sommeliers as well as owners of some of the world’s finest restaurants. In all aspects – shape, height, diameter of the bowl, etc. – Spiegelau glasses are crafted to deliver wine at its best for the greatest possible enjoyment. Each glass’s shape and size has been created with extreme attention to detail to fully enhance the character and bouquet of the wine.

FOR A PERFECT RESULT

1. Wash under warm water, detergent is not necessary

2. Place on linen to dry for the time being

3. For extra shine, steam over boiling water

4. To polish use 2 microfibre polishing cloths

5. Hold glass by base and polish

6. Use left hand to cradle the bowl and polish with your right hand

7. **NEVER** twist the base and bowl

8. Perfect result

BEVERAGES AND GLASSES

Rules when handling connoisseur glasses:

- 1. Filling the glass**
Fill the glass only to the widest diameter of its bowl. This will ensure maximum development of the wine’s bouquet, and also provide the most elegant table setting.
- 2. Holding the glass**
The appropriately filled glass should always be held by the stem rather than the bowl, as heat from the hand could raise the wine’s temperature above its optimum and negatively influence the bouquet of the wine.
- 3. Swirling the glass**
Carefully swirling the glass allows oxygen into the wine by increasing its surface area and helps release the wine’s rich, mature aroma.
- 4. Why and how to decant wines**
To decant wine means to transfer it from its bottle to a decanter or carafe before drinking. During storage or aging, wine can develop a solid deposit or sediment at the bottom of the bottle. Decanting is an easy means of separating the sediment from the wine. Decanting also helps the wine breathe, as the greater surface diameter of the decanter lets more oxygen

- reach the wine than the bottle’s does. Red wines should be decanted well before serving and allowed to rest at room temperature for up to one hour to allow the wine to fully develop its bouquet.
- 5. Wine temperature**
Before decanting and/or serving wine, please store it at appropriate temperature (red wines at 59-63 degrees F, 15°-17° C, white wines at 50-54 degrees F, 10°-12° C). The proper serving temperature enhances the quality of the wine by allowing it to fully develop its characteristic aromas and flavors.
- 6. Washing the glass**
Glasses should always be washed carefully, preferably by hand. Because of our Platinum Glass all Spiegelau glasses are 100% dishwasher safe, but they are best cared for by avoiding harsh detergents and choosing a cool, short dishwashing cycle. To avoid detergent residue, rinse glasses thoroughly in clean water. When drying the bowl of the glass, avoid holding the glass by its stem or base as this can, in extreme cases, cause the stem to break at its narrowest point.

4. INFORMATION ABOUT SILK SCREEN DECORATION:

In decorating glass with the screen printing process, colour is pressed through a silk screen to the glass surface and fixed to the glass during a temperature treatment. The colours, used by SPIEGELAU, are organic colours without heavy metals (such as lead, barium, etc.) or other toxic components. These colours have a high dishwasher resistance, but compared with ceramic colours a lower mechanical resistance.

5. ATTENTION:

The water hardness for cleaning glass, should not be less than 3° d.H.

Glasses with organic colours should be placed in the dishwasher in a way that they cannot make contact with each other during the washing process. If cleaning the glasses by hand, please do not use a scouring brush or abrasive detergents.

Be aware that fully desalinated water is extremely aggressive to both the glass surface and screen print decoration.

GENERAL TERMS & CONDITIONS OF SALE

EFFECTIVE AS OF MARCH 01, 2025, PAGE 1/3

BAYERISCHE GLASWERKE GMBH,

ZACHARIAS-FRANK-STR. 7, 92660 NEUSTADT/WN, GERMANY

1. Scope of Application.

All provisions of goods and services by Bayerische Glaswerke GmbH ("BGW") to or for the benefit of each customer of BGW (the "**Customer**") shall be subject to the General Terms and Conditions of Sale of BGW (the "**T&C**"), unless otherwise expressly agreed upon in writing and duly signed by BGW in order to be legally effective. By placing an order with BGW for the supply of products sold by BGW (the "**Products**") and/or services provided by BGW or otherwise accepting the supply of Products and/or of services by BGW (or any part thereof), Customer (a) agrees to purchase the Products and services on and subject to the T&C, and (b) acknowledges and agrees that, in respect of any other terms and conditions (including terms and conditions accompanying any purchase order or received from Customer): (i) those other terms and conditions are not effective and BGW will not be bound by them, and (ii) the T&C supersede and replace any such other terms and conditions in their entirety; unless other such other terms and conditions are duly acknowledged and expressly agreed to in writing and duly signed by BGW. For the avoidance of doubt, the acceptance of orders or performance of services by BGW shall not be regarded as the grant of any entitlement to future fulfillment of orders or provision of services by BGW, and nothing in the T&C shall be construed as creating a relationship of exclusivity between Customer and BGW.

The T&C consist out of the following separate documents and form all together the T&C: (a) these General Terms and Conditions of Sale of BGW; (b) the respective printed or digital price books of BGW applicable to the Customer (the "**Price Books**"); (c) the respective Payment & Delivery Terms Sheets of BGW applicable to Customer (the "**Payment & Delivery Terms**"); (d) the *Riedel Corporate Branding Policy & Quality Standards*; and (e) the information according to Clause 3.1.

2. Orders, Packaging, Quality Control, Marketing Support.

2.1. All orders by Customer (the "**Orders**"), or each an "**Order**") shall become legally effective and binding on Customer upon acceptance by BGW of each such Order in writing (an "**Order Confirmation**") or, in the absence of such Order Confirmation, by delivery of the Products comprising such Order to Customer. BGW will communicate expected lead-times of Products in the respective Order Confirmation (in this context see Clause 6.7).

2.2. Customer may only modify or cancel an Order until receipt of the Order Confirmation for such Order by BGW (or, in the absence of such Order Confirmation, delivery of the Products comprising such Order), but under no circumstances shall Customer be permitted to modify or cancel an Order more than five (5) calendar days after placing such Order. Once an Order is confirmed by BGW or delivered to Customer, such Order may not be modified or cancelled by Customer except with the prior written consent of BGW, in which case Customer will be liable to BGW for all costs, expenses and other losses that incur or were incurred by BGW in connection with such modification or cancellation.

2.3. BGW reserves the right, in its own discretion, to: (a) reject any Order at any time before sending the Order Confirmation (or, in the absence of an Order Confirmation, before delivery) without giving any reasons; (b) cancel any Back Orders (see Clause 2.9) at any time on reasonable grounds by giving Customer notice of such cancellation; and/or (c) accept Orders only with respect to amounts that from experience correspond to usual quantities ordered by companies of a comparable size.

2.4. Customer shall comply on all its Orders with all specifications advised by BGW regarding minimum Order values and minimum Product Orders, including those set out in the applicable T&C.

2.5. Special Orders. The requirements with regard to minimum Order quantities of Products not listed in BGW's Price Books ("**Special Orders**") are determined by BGW on a case-by-case basis. Special Orders require a deposit as defined by BGW on an individual case-by-case basis. Special Orders can be combined with any other Orders to meet Order minimums. Special Orders can only be ordered in the amount of full master packs. No cancellations, modifications or (unless the Products are Defective Products, see Clause 8.) returns on Special Orders are permitted.

2.6. Value Packs: Value Packs where BGW supports certain benefits (e.g. where packages of Products can be purchased with free Products) must be passed on to the end-consumers in at least the same way. Value Packs may not be unpacked or repackaged by the Customer and the Products contained therein may not be sold individually.

2.7. Limited Editions: BGW reserves the right to offer Products marked as "Limited Edition" in a certain amount and for a certain time period and under certain allocation criteria to Customer.

2.8. Glassware marked as "On-Premise Glass Collection/Glassware" (the "**On-Premise Products**") is reserved for the hospitality industry only, and is not intended for resale, the retail trade and/or for the end-consumer. On-Premise Products are included in BGW's On-Premise Price Books. **Retail Products** means Products designed and manufactured for the purpose of being sold to retailers for further retailing to end-consumers. Retail Products are included in BGW's Retail Price Books.

2.9. Back Orders: If an ordered Product is out of stock, BGW will immediately notify Customer, and will automatically place the Product on back order, and send the stock as soon as it becomes available ("**Back Order**"). If Customer does not want the Product comprising such Back Order, Customer shall advise BGW within five (5) calendar days after receipt of such notification according in writing, otherwise Back Orders cannot be modified or cancelled by Customer. All Back Orders are subject to cancellation at any time on reasonable grounds by BGW in accordance with Clause 2.3. In the event of cancellation, Customer will be refunded accordingly for any consideration already paid.

2.10. Customer acknowledges that the packaging of the Products and the labelling of the Products as applied by BGW is critical to maintain the brand recognition and image of the respective Brands (as defined in Clause 3.2). Consequently without the explicit prior written authorization of BGW, Customer shall not modify, remove, deface, obscure, cover up, or otherwise make illegible or unreadable any unique identifying mark, tag, scan code, or identification number (including but not limited to bar codes, RFIDs, and QR codes) that is howsoever affixed to any Product or its packaging.

2.11. Products shall not be unpacked from their original packaging as shipped by BGW to Customer or be repacked by Customer. Instead, Products shall be sold by Customer in its respective original packaging, unless the unpacking and/or repacking was firstly expressly authorized by BGW in writing (collectively, "**Authorized Packaging Changes**").

2.12. In case of Authorized Packaging Changes, Customer shall ensure that such Products and the packaging used by Customer (the "**Customer Packaging**") comply with all applicable laws, rules, and regulations, including but not limited to those laws, rules, and regulations that concern such Products' and Customer Packaging's labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and sale, and Customer shall indemnify, defend, and hold harmless BGW and its affiliates for any violations or alleged violations thereof. BGW and its affil-

iates shall not be responsible for and Customer shall indemnify, defend and hold BGW and its affiliates harmless from, and against, any and all claims, suits, losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees) arising out of or related to Authorized Packaging Changes, including but not limited to any damage or loss arising out of the labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and/or sale of the Products or of the Customer Packaging.

2.13. In the event that Customer elects to purchase BGW's Product comprising two wine glasses within packaging permitting Customer's inclusion of one bottle of wine (the "**2 Glasses 1 Bottle Product**"), Customer shall ensure that the 2 Glasses 1 Bottle Product complies with all applicable laws, rules, and regulations, including but not limited to those laws, rules, and regulations that concern such 2 Glasses 1 Bottle Product's labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and sale, and Customer shall indemnify, defend and hold BGW and its affiliates harmless from, and against, any and all claims, suits, losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees) arising out of or related to 2 Glasses 1 Bottle Products including but not limited to any damage or loss arising out of the labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and/or sale of the 2 Glasses 1 Bottle Products.

2.14. BGW's claims under Clauses 2.12. and 2.13. shall not apply if the damage is attributable to a breach of duty of (contributory) negligence on the part of BGW.

2.15. The Customer understands that BGW's ability to exercise proper control of the compliance with ethical principles and to effect proper quality control measures, including but not limited to quality control oversight over the Brands, Trademarks and the Products, requires BGW's unfettered ability to track its inventory at all stages of the Products' global supply chain. Accordingly without the explicit prior written authorization by BGW, Customer acknowledges and agrees that it will not under any circumstances modify, remove, deface, obscure, cover up, or otherwise make illegible or unreadable any unique identifying mark, tag, scan code, or identification number (including but not limited to bar codes, RFIDs, and QR codes) that is howsoever affixed to any Product or its packaging.

2.16. In the event that Customer, as determined by BGW in its own discretion, is found to have violated any part of Clause 2.6, 2.10, 2.11, 2.12, 2.13 or 2.15, BGW shall be entitled to immediately suspend or terminate Customer's status as an authorized purchaser and/or reseller of the Products, and BGW shall reserve all rights and remedies it may have against Customer that may be available to BGW pursuant to the T&C, any other agreement entered into or otherwise governing the relationship between BGW and Customer, applicable law, or otherwise.

2.17. BGW does not provide Customers with any kind of marketing support, unless decided by BGW in its own discretion on an individual case-by-case basis. In the event that BGW elects to grant any kind of marketing support to Customer, under no circumstances shall BGW be obligated to complete or otherwise continue such marketing support or provide any future marketing support. In the event that for any reason, as determined by BGW in its own discretion, the Customer's status as an authorized purchaser and eventually reseller of the Products, as applicable, is suspended or terminated, BGW reserves the right to terminate any marketing support with immediate effect or until further notice, and BGW will not accept any invoice deductions for marketing support following any suspension or termination. Under no circumstances and at no time shall Customer be entitled to reimbursement for any kind of investments, or for any costs/expenses of promotional events or of promotional material of any kind whatsoever regarding the Brands (see Clause 3.2.), irrespectively if Customer organized such events itself or via third parties or purchased such material from BGW or from a third party.

3. Customer Obligations.

Customer hereby agrees to at all times observe and abide by the obligations (the "**Customer Obligations**") as outlined in this Clause 3.

3.1. Retail-Customers may sell Retail Products received from BGW to end-consumers.

Active sales to certain groups of resellers or to any kind of resellers in certain territories, which BGW has reserved for itself or exclusively allocated to third party dealers are prohibited. The groups of resellers and territories reserved or exclusively allocated in this way are listed in Annex 3.1. BGW shall inform Customer of any changes in a timely manner. These restrictions on active sales must be observed not only by the Customer itself, but also by its direct customers. Customer shall impose these restrictions on active sales on its direct customers.

Passive sales are excluded from the above restriction.

Regulations in the selective distribution system remain unaffected by this Clause 3.1.

3.2. Customer acknowledges its obligation to maintain and to promote the extremely high standard of the Products reputation as comprising some of the world's finest glassware, the goodwill symbolized by the "Spiegelau", "Nachtmann" and "Riedel" brands (together the "**Brands**"), and the associated trademarks (the "**Trademarks**") and trade dresses and Products, and to further refrain from any conduct that could be viewed as disparaging on the image of the Products, the Brands, the Trademarks, BGW, and its affiliates, and shall include, but shall not be limited to, the selling of the Products to or via low-cost mass merchandisers or low-cost discount stores that were not specifically authorized by BGW in writing, and the selling of the Products next to other goods that are infringing upon the intellectual property rights of BGW or of its licensors.

3.3. Customer will conduct and maintain at all times its business as it relates to the Products in compliance with the T&C, and all applicable laws and regulations. Customer agrees not to engage in any unfair trade practices.

3.4. Customer will comply with all quality control standards, including, but not limited to, advertising, storage, and shipping requirements, as notified from time to time by BGW. Any changes made by BGW to such standards will apply to future Orders placed following such notification.

3.5. Customer will comply with the *Riedel Corporate Branding Policy & Quality Standards*. BGW reserves the right to change the *Riedel Corporate Branding Policy & Quality Standards* from time to time by notification to the Customer, with any such changes applying to future Orders placed following such notification.

3.6. If Customer is found to have culpably breached (even in part) any of Customer's obligations contained in Clause 3., Customer shall indemnify BGW against any costs and liabilities, including litigation costs and attorneys' fees incurred in the defence of any civil, criminal or administrative action, complaint or claim against BGW, its affiliates or its officers, employees or agents arising out of a breach of any provision of Clause 3.

3.7. If Customer is found to have culpably breached (even in part) any of Customer's obligations contained in Clause 3., BGW shall, in its own discretion, be entitled to suspend or terminate Customer's status as an authorized purchaser and/or reseller of the Products with immediate effect, and BGW reserves all rights and remedies available to BGW under the T&C, any other agreements entered into or otherwise governing the relationship between BGW and the Customer, or applicable law, or otherwise. In such cases, BGW is also entitled to cancel confirmed Orders.

4. Prices.

4.1. The prices for the Products and/or services are as set out in the respective applicable Price Books and Payment & Delivery Terms provided to Customer by BGW from time to time. BGW in its own discretion, reserves the right to change the Product assortment and/or the service assortment as well as the prices for the Products and/or services at any time, with such changes applying to future Orders placed.

4.2. All prices are stated in Euro, or – at BGW's own discretion – in another currency depending on the Customer address. Unless otherwise stated in the respective applicable Price Books or Payment & Delivery Terms all prices are stated net per sales unit, EX WORKS ("**EXW**", INCOTERMS 2020) BGW warehouse ("**EXW BGW Warehouse**"), Germany, excluding the shipping packaging. Prices are exclusive of statutory VAT or other taxes, fees or duties. If VAT is payable, it will be stated separately in BGW's invoice. BGW issues its invoices in Euro, or – at BGW's own discretion – in another currency depending on Customer's address, whereby the prices applicable at the time of the Order shall apply.

4.3. Unless otherwise agreed in writing with the Customer, BGW shall choose the shipping packaging at its own discretion. The Customer shall be invoiced for crates, Collico containers, cartons, etc. If VAT is incurred for the provision of the shipping packaging, this shall be shown separately in the BGW invoice in accordance with the applicable statutory provisions.

4.4. If Products are dispatched at Customer's request, the Customer will also be invoiced for the shipping costs (see Clauses 6.3 and 6.4).

5. Terms of Payment.

5.1. The payment terms are regulated in the respective applicable Price Books and/or Payment & Delivery Terms. BGW reserves the right upon notice to the Customer in its own discretion (a) to change the payment terms at any time, with such changes applying to future Orders placed, and/or (b) to suspend or refuse fulfillment of any contract with Customer, if in the opinion of BGW, this is necessary due to Customer's financial situation or payment history.

5.2. Where no special payment terms apply for certain delivery regions or certain Customers pursuant to the applicable Price Books or Payment & Delivery Terms, BGW's invoices are payable as follows:

(a) in case of payment by means of direct debit, less discount of 3%;

(b) within thirty (30) calendar days as of invoice date, without any deduction.

5.3. BGW may ask for a payment confirmation to be issued by a bank accepted by BGW. Payment will be deemed effected as soon as BGW is able to freely dispose of the same at its registered office.

5.4. An eventually granted cash discount may only be deducted, if any and all invoices due have been fully settled by Customer.

5.5. Each delivery by instalment shall be deemed an independent transaction for billing and payment purposes.

5.6. If payments are effected in a freely convertible currency other than the invoicing currency, Customer shall bear the exchange rate risk.

5.7. Any bank charges in connection with invoice payments shall be borne by Customer.

5.8. Any claims, counterclaims or compensation claims of Customer shall not entitle Customer to extend the granted payment period, nor shall any such claims or counterclaims be used to offset or otherwise be used to justify the non-payment of any amounts owed to BGW by Customer. Notwithstanding the above, offsetting is possible if the claim, counterclaim or claim for remuneration is undisputed or has been recognized by declaratory judgement.

5.9. From the date of default, default interest of 9% points above the base interest rate of the German Central Bank per annum will be charged.

5.10. BGW is not obliged to accept checks or bills of exchange; they will only be credited as payment subject to them actually being honoured to the value to which they are at disposal. All costs incurred in connection with acceptance of bills of exchange or checks, in particular discounting charges and interest, shall be borne by the Customer.

5.11. If (a) Customer defaults in payment under the T&C and has not remedied that failure within five (5) calendar days; OR (b) all or substantially all of the assets of Customer are sold or otherwise transferred; OR (c) there is a change in control with respect to Customer; OR (d) the legal form of Customer is changed; OR (e) in the reasonable opinion of BGW, Customer's financial situation changes or deteriorates materially (e.g. a bill of exchange or cheque provided by Customer is not honoured); OR (f) at any time BGW considers (acting reasonably) that Customer is a credit risk, THEN: (i) Customer's account will be put on immediate and automatic credit hold, and BGW will not accept any new Orders, and BGW may refrain from fulfilling/processing any and all existing or future Orders of the Customer; (ii) all outstanding accounts receivable, also under bills of exchange, will become due for immediate payment irrespective of their due date; and (iii) BGW shall be entitled to suspend (until the matter has been resolved or the outstanding amount including interest has been credited to BGW's account), terminate or cancel all current contracts and/or Orders; and (iv) BGW shall be entitled to stop all deliveries to Customer, to request damages from Customer in lieu of performance, require pre-payment or proper security before making any delivery, or effect delivery only against full cash amount payable on delivery (if Customer has already advanced any payments in relation to terminated or cancelled Orders, BGW will refund those amounts or allocate/offset them accordingly); and (v) BGW will retain title to Products that have not been paid for as described under Clause 12. and BGW may consequently demand the return and collect any such Products that are in the possession, custody or control of the Customer.

5.12. If Customer purchases Products for export, Customer shall assume sole responsibility for proper customs clearance. Customer shall provide proof, in appropriate form, of customs clearance upon BGW's request.

6. Terms of Delivery and Passing of Risk.
6.1. The delivery terms applicable to Customer are regulated in the respective applicable Price Books and/or Payment & Delivery Terms. BGW reserves the right upon notice to the Customer in its own discretion to change the delivery terms at any time, with such changes applying to future Orders placed.
6.2. Unless otherwise stated in the respective applicable Price Books or Payment & Delivery Terms or agreed in writing by BGW, all deliveries will be effected EXW BGW Warehouse, Germany, per address RSN Logistik GmbH, Weiden i.d. Opf., Germany.
6.3. In case the respective applicable Price Books or Payment & Delivery Terms offer accordingly and if so requested by Customer and confirmed in writing by BGW, Products can be shipped to a different destination at Customer's cost and sole risk. Save when otherwise agreed, BGW is entitled to determine the kind of shipment (in particular the forwarding agency, shipment route, packaging).
6.4. If Products are shipped to a different destination upon Customer's request and BGW's written confirmation, the risk shall pass to Customer on the Products' handover to the person designated to carry out shipment. Customer shall assume all risk to Products during transportation thereof. BGW shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.
6.5. BGW shall insure the Products only if specifically, so instructed by Customer in writing and on behalf of Customer's account and expense.
6.6. If Products are delivered on Euro pallets, Customer shall ensure the documentation required to clear Euro pallets through pallet accounts and to submit such documentation to BGW on request.
6.7. Deliveries will be made by BGW according to its operational capabilities. Communicated lead-times refer to EXW BGW Warehouse dates and are estimates only and are not binding; lead-times for Special Orders and Limited Editions will be communicated to Customer on a case-by-case basis refer to EXW BGW Warehouse dates and are estimates only and are not binding. BGW shall not be liable for failure to meet these non-binding lead-times. Claims for damages in this respect due to non-performance or late performance are excluded, and the Customer waives all claims against BGW and its affiliates for damages and other liabilities arising out of or due to actual or alleged non-performance or late performance by BGW.
6.8. BGW will observe commercially reasonable efforts in its observance of the T&C, which observance shall be subject to unforeseeable events or events not otherwise contemplated by the T&C. BGW will not be responsible for any delay or failure to perform its obligations under the T&C or otherwise, which arises out of or is due to unforeseeable events or events independent of the intention of the parties, such as events of force majeure ("**Force Majeure Event**"), including, by way of example and not of limitation, all events of pandemics, epidemics, war, terrorist actions, interventions, instructions and prohibitions of official authorities, delays in transport and customs clearance, transport damage, inclement weather, lack of energy, financial crisis, labour conflicts as well as delays in delivery on the part of suppliers for any reasons. Delivery times shall be extended accordingly reasonably in the event of Force Majeure, whereby BGW may also cancel the delivery in whole or in part after the expiry of three (3) months after the occurrence of the Force Majeure Event, unless there is merely a temporary impediment to performance. The applicable payment terms shall remain unaffected. In the event of a full or partial cancellation, BGW will inform Customer immediately thereof, and eventual payments made by Customer in advance shall be reimbursed in the corresponding proportion or shall be offset against outstanding receivables.

6.9. Retail Products are shipped in brown master packs (order units). The purpose of the master pack is to protect the inner packaging from scratching and other damages only. Customer acknowledges that a master pack is not designed to be used as a re-shippable outer carton and may not be used as such. In spite of the foregoing, a master pack is used for reshipping of Products, the shipping of those Products shall be at Customer's own risk and BGW shall have no liability to the Customer in connection with any damage to those Products.

6.10. The cost of any requested or necessary special packaging and/or the use of special packaging materials for the Products are at Customer's sole expense even if these costs were not explicitly listed in the Price Books or the quotation. Customized packaging shall not be offered or provided to Customer unless Customer and BGW enter into a separate agreement duly signed by the parties in relation to such customized packaging.
6.11. Regarding Special Orders, BGW reserves the right to supply the quantity deviations of +/- 5% of the quantity ordered (the "**Permitted Deviation**"), which is customary within the industry. Provided that BGW's fulfillment of any Special Order is within the Permitted Deviation, the quantity actually delivered shall be paid by Customer in full.

6.12. If, pursuant to an Order Confirmation, Products are to be collected at a BGW warehouse, BGW will inform Customer about twenty (20) business days prior of the respective delivery/collection date. Partial deliveries of an Order (i.e. deliveries by instalments) are permitted, provided this is reasonable for the Customer. Customer shall pick-up all available and prepared Products, including reasonable partial deliveries of an Order, within ten (10) business days as of the notified delivery date. If Customer informs BGW that Customer will not collect the respective delivery or if Customer fails to pick such delivery within this ten (10) business days window, BGW shall be entitled to either (a) partially or in total cancel the respective Order or (b) to store the Products at Customer's cost and risk, in which case the delivery to Customer shall be deemed to have been fulfilled and will be invoiced, and to charge storage costs for such Products at the customary local rate. In the event of cancellation, BGW will inform the Customer thereof without delay, and refund any payments already made for the cancelled Products or offset them against outstanding claims.

6.14. Purchase for Export: If Customer purchases Products for export, Customer shall assume sole responsibility for proper customs clearance. Customer shall provide proof, in appropriate form, of customs clearance upon BGW's request.

7. Partial Deliveries.

Partial deliveries are permissible insofar as this is reasonable for the Customer and may be invoiced. If BGW delivers Products in instalments and if such an instalment contains Defective Products as defined in Clause 8., this shall not entitle the Customer to withdraw from the entire purchase contract formed by the T&C.

8. Notice of Defects, Warranty.

8.1. As regards inspection and notification requirements, Sec. 377 of the German Commercial Code (Handelsgesetzbuch – HGB) shall apply, provided that obvious defects shall be notified within ten (10) business days as of delivery of the Products and in any event prior to their use or re-sale. If there is no such notification of BGW, the Products shall be deemed accepted by Customer, unless the defect was not discernible in the examination. Latent defects shall be notified immediately after their discovery; otherwise, the Pro-

ducts will be deemed accepted by Customer as well in view of these defects.

8.2. Any defects or non-compliances with the contract shall be notified to BGW in writing, including a detailed description and photos of the alleged defects or the non-compliances. BGW will provide the remedy described in Clause 8.8 if there are any defects in a Product or non-compliances with the contract (including partial deliveries), which are recognizable upon proper inspection of the Product at the time of delivery and which are notified in writing by Customer to BGW within ten (10) business days from the date of delivery of the Product or in the case of latent defects immediately after they are recognized (the "**Defective Product**"); otherwise the Products shall be deemed accepted by Customer. Complaints under this Clause 8. are subject to a review and approval process.

8.3. Customer must keep any Defective Products in its possession until BGW has inspected the Defective Products and either approved or rejected the Customer's warranty claim under this Clause 8. The inspection can be done either by photos, by on-site inspection or by collecting the Defective Products. Warranty claims under this Clause 8. shall be notified to BGW using the contact information: Bayerische Glaswerke GmbH, Zacharias-Frank-Straße 7, 92660 Neustadt an der Waldnaab, Germany, info@nachtmann.com.

8.4. Any defects or non-compliances with the contract caused as result of a Force Majeure Event shall be excluded from BGW's warranty.

8.5. No warranty is provided by BGW for mechanical damages to the surface of a Product.

8.6. Customer shall assume all risk for the Products during transportation thereof and BGW shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation; the Customer shall assert any claims in this respect against the responsible carrier.

8.7. Customer acknowledges that minor deviations may occur between Products from the same series for technical reasons and because of the materials used in the course of the production of glass products, in particular with respect to size, weight, ovality, or the vertical axis according to the relevant technical drawings, which cannot be influenced by BGW. Handmade Products or handmade Product parts may be subject to sample and size deviations. Therefore, all such deviations between Products, in particular compared to drawings or earlier deliveries of the same Product, do not constitute any defect. Customer further acknowledges that due to the handcrafting involved in the making of some decanters and glassware, tiny bubbles, slight imperfections, surface variations, and small tolerances in the size and weight of each piece, are a feature and acceptable part of the process and do not constitute any defect.

8.8. In case of a valid claim in respect of any Defective Product, and subject to Clauses 8.6, 8.7, 8.11, 8.14 and 8.15, BGW will, at its own discretion, either arrange delivery of a replacement Product (subject to its operational capabilities) or issue a credit note for the price paid by Customer to BGW for the Defective Product, but not both.

8.9. If BGW chooses to arrange delivery of a replacement Product (or otherwise requires the Customer to return the Defective Product), Customer is required to return the Defective Product at Customer's cost and risk to the warehouse determined by BGW.

8.10. Any and all other warranty claims of Customer shall be excluded.

8.11. The rights described in Clause 8.8 do not apply and BGW will not replace any Products broken or damaged if master packs are used for shipping (see Clause 6.9).

8.12. Damaged packaging is not replaceable or refundable.

8.13. If BGW provides a substitute delivery, BGW shall bear the costs for the inspection and the replacement delivery, including the transport, labour and material costs for the replacement delivery, provided that a defect actually exists. In case Customer's demand for remedy of a defect/non-compliance proves to be unjustified, BGW is entitled to demand from the Customer the reimbursement of all cost incurred by the unjustified claim.

8.14. The rights described in Clause 8.8 do not apply if a defect/non-compliance arises because Customer fails to observe BGW's or a manufacturer's Product or Product packaging instructions, recommendations or guidelines, in particular instructions, recommendations and guidelines for processing, handling, care, cleaning and use of the Product, or by failing to observe generally accepted practices relating to the use of the Product.

8.15. Decorations of any kind not been made or commissioned by BGW, such as engravings, silk-screenings etc., are the sole responsibility and risk of Customer. BGW will not be responsible and shall be excluded from any warranty whatsoever, especially but not limited to that heavy metals or other dangerous materials are applied to the Products, or if the material used is hazardous to health, or not water-resistant or dishwasher-proof. Customer shall indemnify and hold BGW and its affiliates harmless from and against any and all claims, actions, losses, damages, demands, injuries and costs (including reasonable attorneys' fees) arising out of any claim made against BGW for decorations of any kind whatsoever (e.g. engraving, screen printing, etc.) applied to the Products by the Customer or by third parties not authorised by BGW.

9. Limitations of Liability.

9.1. In the event of damage, BGW's liability -irrespective of the legal grounds -shall be limited in each case in accordance with this Clause 9.

9.2. Unless expressly provided for in an individual contract with Customer or in the T&C, BGW does not assume any warranties or guarantees beyond those required by law with regard to the nature, merchantability, description, quality or suitability of the Products or the fitness of the Products for a particular purpose or with regard to design, assembly, installation, materials or workmanship of the Products.

9.3. BGW's maximum aggregate liability under or in connection with the T&C or any provision of the T&C, whether in contract, (including negligence) or otherwise, shall be limited for each Order to the amount paid by the Customer for that Order.

9.4. BGW shall not be liable for damage caused if and to the extent that instructions, recommendations or specifications relating to the processing, handling, use, care or cleaning of the Products or the Product packaging or generally recognised practices relating to the use of the Product are not observed by the Customer or its customers or by third parties, unless the Customer proves that the damage would have occurred even if the instructions, recommendations or specifications relating to the Product or the Product packaging had been observed.

9.5. BGW shall not be liable or responsible for any damages and Customer shall indemnify and hold BGW harmless from any claims or actions brought against BGW or any of its affiliates and from all losses, damages, claims, injuries, costs and expenses (including reasonable attorneys' fees) arising out of or related to Customer's purchase, handling, storage, packaging, labelling, distribution, advertising, use or cleaning of the Products.

9.6. The Customer shall not be entitled to and hereby releases BGW and its affiliates, officers, employees and agents from any further claims, including but not limited to (a) compensation payments, and (b) compensation for in-

direct or consequential or punitive damages of any kind, which the Customer or others may suffer, including but not limited to damages (i) for loss of profits or business interruption, (ii) for loss of goodwill, (iii) for loss of savings or opportunity, whether in contract, tort (including negligence) or otherwise.

9.7. BGW shall only be liable for damages to the extent caused by gross negligence or wilful misconduct. BGW shall not be liable for slight negligence.

9.8. All limitations of liability in the T&C (including Clause 2.14) shall not apply:

a) to any damage resulting from injury to life, limb or health; or
b) in the event of damage resulting from a wilful or grossly negligent breach of duty; or

c) in the event of damages arising from a breach of a material contractual obligation or an obligation that is essential for the proper fulfillment of the contract and on which customers may regularly rely (so-called *cardinal obligations*); in these cases, however, BGW's liability is limited to the typical, foreseeable damage;
d) insofar as mandatory statutory provisions, e.g. the German Product Liability Act, conflict with the respective matter.

9.9. Clause 9.8 shall not apply to damages that are based solely on a breach of duty by the Customer, in particular in the cases of Clauses 9.4 and 9.5.

9.10. BGW's liability is otherwise excluded. The costs of asserting a claim shall be borne by the Customer.

10. Returns.

Except for any Defective Products that are returned in accordance with Clause 8., all other returns are subject to BGW's express prior written approval and the following conditions: (a) Special Orders, Limited Editions, Products that were un- or re-packed from the original boxes by Customer, 2 Glasses 1 Bottle Products, Products that have Authorized Packaging Changes or Products that are engraved, decorated or are personalized in any other way cannot be returned and will not be reimbursed; (b) returned Products must be part of the current BGW Price Books and in unused, mint, resalable condition, packed in the original undamaged boxes and in the original sealed master packs; (c) returns must be shipped within thirty (30) calendar days after having received BGW's prior written approval and must be delivered to the warehouse determined by BGW, and freight, risk and costs are at Customer's expense and responsibility; (d) for Products returned in accordance with this Clause 10. the EXW BGW Warehouse, Germany, Product net price paid by the Customer for the respective Product will be credited minus a 15% restocking and handling fee. Any returns not in conformity with the foregoing may be refused by BGW and will be not reimbursed.

11. Intellectual Property Rights.

11.1. BGW or its licensors hold any and all rights, titles, all goodwill and all other claims and interests of any nature whatsoever, including any and all intellectual property rights such as copyrights, trademark rights, labelling rights, trade secrets, design patent rights, patent rights and/or design rights, relating to the Products, the Product designs, the Product packaging, the glassware samples, the glassware sample designs, the designs of the glassware and of the prototypes, and as well of any modifications, further developments and adjustments thereof, including the respective drawings, tools, moulds, casting forms and Product packaging.

11.2. Any and all Products, samples,

12. Retention of Title.

12.1. Products and samples supplied by BGW shall remain the property of BGW ("**Reserved Goods**") until full payment (including any interest) of all present and future claims and demands of BGW under the purchase contract and an existing business relationship (including current account balance claims). The Customer is obliged to treat the Reserved Goods with care. The Customer is obliged to store the Reserved Goods properly and to insure them at its own expense against theft, water, fire, transport and other damage.

12.2. The Customer may sell the Reserved Goods subject to retention of title in the ordinary course of business in compliance with the provisions of the T&C, provided that Customer is not in default of payment. The Customer may not encumber, pledge or transfer by way of security the Reserved Goods.

12.3. The Customer may remodel or process the Reserved Goods in the normal course of business. The remodelling or processing of the Reserved Goods shall always be carried out on behalf of BGW. If the Reserved Goods are processed together with other items that are not the property of BGW, BGW shall acquire co-ownership of the new product in the ratio of the invoice value of the Reserved Goods (invoice amount plus VAT) to the other items that are processed.

12.4. The Customer hereby assigns to BGW all claims it has against its own customers from the sale of the Reserved Goods, as well as claims relating to the Reserved Goods that arise against its own customers or third parties on other legal grounds, including any current account balance claims. BGW hereby accepts this assignment. In cases in which BGW has only acquired co-ownership of a new product pursuant to Clause 12.3, the Customer shall only assign the claim in part, namely in the ratio of the value of the Reserved Goods to the value of the new product.

12.5. The Customer may collect a claim assigned to BGW as long as BGW does not revoke this authorisation. BGW's right to collect such claims itself shall not be affected thereby; however, BGW shall neither assert nor collect the claims itself and shall not revoke the direct debit authorisation as long as the Customer duly meets its payment obligations. The Customer may also not assign any receivables in order to have them collected by means of factoring unless the Customer irrevocably obliges the factor to provide the consideration directly to BGW for as long as BGW has outstanding receivables from the Customer.

12.6. In the event of seizure of the Reserved Goods by third parties or other interventions by third parties, the Customer must draw attention to BGW's ownership and notify BGW immediately in writing so that BGW can enforce its ownership rights. If the third party is unable to reimburse BGW for the judicial or extrajudicial costs incurred by BGW in this connection, the Customer shall be liable for such costs.

12.7. In the event that the Customer acts in breach of contract, in particular in the event of default in payment, BGW may demand that the Customer informs BGW of the assigned claims and the respective debtors, notifies the respective debtors of the assignment and hands over to BGW all documents and records and provides at its own expense all information required by BGW to assert the claims.

12.8. In the event of behaviour by the Customer in breach of contract, in particular in the event of default in payment, BGW shall be entitled to take back the Reserved Goods after setting a reasonable deadline for performance. The Customer shall bear the costs incurred in taking back the Reserved Goods. If BGW takes back the Reserved Goods, this shall be deemed a cancellation of the contract. BGW has the right to dispose of the Reserved Goods. The proceeds from such disposal shall be set off against any amounts owed by the Customer to BGW after deduction of reasonable costs of such disposal.

12.9. Should the value of the assigned claims or other securities exceed the claims of BGW to be secured by more than 10 %, BGW shall have the right to dispose of the assigned claims to this extent. However, BGW is authorised to select the securities to be released.

13. Setoff and Assignment.

13.1. Customer can only set off against BGW's claims for payment of the purchase price where Customer's claim proposed for setoff has been legally established by final judgement or is undisputed.

13.2. BGW is entitled to assign its claims against Customer to a factoring company for financing purposes.

14. Data Protection and Storage, Advertising.

BGW shall store and process personal information obtained from the Customer in compliance with applicable privacy laws. Unless the Customer requests otherwise in writing (including through any opt-out mechanism provided by BGW), the Customer agrees that such personal information may be used by BGW for marketing purposes. For clarity, this right survives termination or expiry of the contract of sale.

15. Severability.

If any provision of the T&C is wholly or partially void or unenforceable, that provision shall be severed from the T&C to the extent that it is void or unenforceable and the validity of the remaining provisions shall not be affected. The Parties shall agree on a new effective provision which comes as close as possible to the economic purpose of the void or ineffective provision without delay.

16. Choice of Law and Jurisdiction.

16.1. The T&C and the contractual relations with Customer including its pre- and post-contractual phases and effects shall be governed by and shall be interpreted in accordance with **German law**, excluding its conflict of law rules, and excluding those provisions of private international law which would lead to the application of another legal system, and excluding the provisions of the UN Sales Law (CISG – United Nations Convention on Contracts for the International Sale of Goods).

16.2. **Munich, Germany**, shall have exclusive jurisdiction for any disputes arising out of the contract concluded with Customer or the T&Cs underlying the contract, including the pre- and post-contractual phases and effects. However, BGW is free to sue at Customer's registered office. Mandatory statutory provisions, in particular with regard to the exclusive place of jurisdiction, shall remain unaffected.

17. Miscellaneous.

17.1. For the purpose of the T&C, "business days" shall mean those days on which banks are open for general business in Bavaria, Germany.

17.2. A notice, consent or communication under the T&C is only effective if it is in writing, signed or on behalf of the party giving it, and if it is received in full and legible form at the address or e-mail address notified by the addressee to the other party from time to time.

17.3. No waiver of a right or remedy under the T&C is effective unless it is in writing and signed by the party granting it. It is only effective in the specific instance and for the specific purpose for which it is granted. A single partial exercise of a right or remedy under the T&C does not prevent a further exercise of that or any other right or remedy. Failure or delay to exercise a right or

remedy does not operate as a waiver or prevent further exercise of that or any other right or remedy.

17.4. A reference in the T&C to a financial year is a reference to each 12-month period commencing 1 July and ending 30 June.

17.5. Unless otherwise stated, a party may exercise any rights under the T&C in its own discretion.
